

Uncover the power of graphics in fashion

Graphic design is interwoven into the fashion's world. At a time when exclusivity is the holy-grail in fashion, graphic design provides the means to pin-point, differentiate and communicate an unique identity. This title demonstrates graphics that live and shine on the stage of fashion.

Fashion Unfolding

Stiletto NYC
New York, USA

Title: THREASFOUR Designer: Stiletto NYC Client: THREASFOUR Description: Stiletto NYC has been in charge for the graphic language for a New York based fashion design collective THREASFOUR for some years now - designing labels and clothes tags, fashion show invites, lookbooks (which turned out to be a poster in Spring/Summer 2007) and even perfume.
