

Nice to meet you

名刺ワールド

Pun

Designer:
Stiletto
Client:
Pun

Pun's wallpaper designs are very lush & bold, and are made for large hotel lobbies and restaurant murals. The designer wanted to create an identity that feels very exclusive. For which, they created a customized logo mark and used a classic serif font for it.

82 x 50 mm
180 lb Pegasus Midnight
Black matt cover
PMS Metallic 8002 C
Metallic silk screen

AS FOUR
DESIGNER
CRAIG
MILNE
AS FOUR

The designer designed this business card as part of the identity of a New York fashion label 'As Four', in which they designed a customized logo mark and used their house font- Helvetica Neue.
